

Special Council Meeting  
August 31, 2010  
6:00 p.m. City Hall

Unapproved Minutes

The meeting was called to order at 6:00 p.m. by Mayor Seneca with Council Meador, Council Lockaby, Council Smith and Council Adler present.

Garrett Nordstrom from Governmental Assistance Services was present to answer any questions regarding the street grant. As the city was not awarded the special round, it could be filed again for the same amount and would be due in October. The grant would be awarded sometime after the first of the year. Council Smith had asked if it was possible to add some areas of the city to the original plans. Garrett said that areas could be added as the total amount that could be granted is 400,000, but with the city matching 25%. He also said the easiest way to explain the street grants is that the more you match, the better your chances are of receiving one. There is also the possibility of selling bonds and low interest loans through Rural Development.

After Mayor Seneca read over the contract of Trey Meyer to the Council, Council Smith made a motion to hire Trey Meyer as the city attorney. Council Lockaby made a second and it passed by roll call 3-1 (Adler).

Council Smith made a motion to hire Lance Beuttel as custodian for the city at the rate of 9.00 per hour with no benefits at a maximum of 10 hrs per week, with the exception of some extra hours in the beginning to work on floors. Council Lockaby made a second and it passed by roll call 4-0.

Council Smith made a motion to go into executive session at 6:40 p.m. for 30 minutes for the discussion of non elected personnel and to protect the right to privacy of the individuals being discussed. Council Lockaby made a second and it passed by roll call 4-0.
